

Process

- Complete an application.
- We assess your project and determine if we can partner and meet your needs.
- We plan the project and determine the cost.
- Your participation and share of the cost is determined.

***Pick up an application at the
Habitat ReStore,
563 Oak Ave, Spruce Pine.***

About Us

Founded in 1992, Mitchell-Yancey
Habitat for Humanity builds
homes, community and hope.

Through Habitat's programs, many
families in Mitchell and Yancey
counties have achieved the
strength, stability and self-reliance
they need to build a better future.

**Through shelter
we empower**

**Repair Program and
Aging in Place**

Repair Program

- The work is done by volunteers under qualified supervision.
- We serve those who own their own home, with limited income, but with some ability to contribute to the cost.
- Homeowners share in the cost as they are able and provide "sweat equity" by participating in the project.
- We do simple interior and exterior repairs and some roof repairs after inspection.
- We do not do mold remediation.

Examples: replace broken hardware or light fixtures, install a new window or door, repair porches, steps and decks

***"Mitchell-Yancey Habitat replaced the siding on an 83 year old woman's house: "It's a blessing, I could never have done this on my own"
-Anne***

Aging in Place

- Assists seniors with home improvements so that they can continue to live at home in safety and comfort.
- Examples would be clearing walkways, installing ramps and safety bars.

Support

The Mitchell-Yancey Habitat Repair and Aging in Place programs are supported by grants, private and corporate contributions, homeowner payments, and volunteer labor.

- Contributions to support these programs or individual projects are welcome.
- Volunteers to work on projects are always needed.
- We thank the AMY Fund and the fund for Mitchell County for generous grants to expand our programs in 2022.
